Nursing Practitioner 2020 conference promises to be an exciting and rewarding opportunity to learn together.

Submission guidelines and registration prices information for Speakers and Delegates are posted on the Nursing Practitioner 2020 website at <https://nursepractitioner.nursingconference.com/>. Online entries will be accepted from November 01, 2019-October 01, 2020. Nursing Practitioner 2020 will be held in Toronto, Canada from December 04-05, 2020.

Nursing Practitioner2020 aims to provide a platform where academics and practitioners from cross-disciplinary fields from education, environmental protection industry, and business can come together and collaborate. The event will encourage the exploration of the potential synergies that may arise from pooling the different perspectives. We invite you to submit papers on Nursing and Health. Poster and oral presentations, and thesis presentations will be included in the Conference Program. Nursing Education Congress cover all aspects of Health and Clinical, and Nursing Education, Cardiovascular Nursing, Teaching Strategies in Nursing Education, Nursing Informatics, Evidence-based Teaching and Learning. It also considers the interactions between Health and these systems.

*Are you willing to showcase research results and recent objectives achieved? During Nursing 2020, all participants will be able to provide at the Nursing registration desk a poster outlining your main results. Why?

Because you will have the chance to present them at the Knowledge exchange session (May 09 forenoon) and meet

the authors of the speech you find most interesting during the final Networking Session!

Venue:

Vancouver has hosted many international conferences and events, including the 1954 Commonwealth Games, UN Habitat I, Expo 86, APEC Canada 1997, the World Police and Fire Games in 1989 and 2009; several matches of 2015 FIFA Women's World Cup including the finals at BC Place in Downtown Vancouver,[16] and the 2010 Winter Olympics and Paralympics which were held in Vancouver and Whistler, a resort community 125 km (78 mi) north of the city. In 1969, Greenpeace was founded in Vancouver. In 2011, the city planned to become the greenest city in the world by 2020. The City became the permanent home to Ted conferences in 2014. Vancouverism is used to describe the urban planning design philosophy of Vancouver.

Vancouver was originally named Gastown and began as a settlement which grew around the site of a makeshift tavern on the western edges of Hastings Mill built on July 1, 1867 and owned by proprietor Gassy Jack. The original site is marked by the Gastown steam clock. Gastown then formally registered as a townsite dubbed Granville, Burrard Inlet. The city was renamed "Vancouver" in 1886, through a deal with the Canadian Pacific Railway (CPR). The Canadian Pacific transcontinental railway was extended to the city by 1887. The city's large natural seaport on the Pacific Ocean became a vital link in the trade between Asia-Pacific, East Asia, Europe, and Eastern Canada Nursing Education Congress is an international multidisciplinary field concerned with all aspects of interaction between health, Clinical, Patient Care:
