Important of Award Content

- **Validate:** Awards speak volumes about a company's products or services and substantiate their credibility. Even an award nomination can be helpful because it validates a company's leadership in its given market and proves it is ahead of the curve.
- **Testimony:** Winning an award or even being nominated serves as testament to a company's work ethic, dedication and unique specialty. New customers will likely consider a company or organization's work over another if it has won an award. Furthermore, current customers may view the award as a good thing, reinforcing their loyalty and willingness to share information about a product or service.
- **Reputation:** An award can improve the perceived reputation of a company to the general public, new customers, donors, investors and the like. Recognition may transform a company's reputation from "pretty good", to excellent.
