

Announcement: 2nd European Summit on Dental and Oral Health, Paris, France on March 24-25, 2021

We are happy to announce 2nd European Summit on Dental and Oral Health scheduled to be held in Paris, France on March 24-25, 2021.

The theme for the Euro Dental Conference is “Innovation and Integration in Dentistry”. Euro Dental 2021, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Euro Dental 2021 focuses to create a medium to connect eminent personalities from different backgrounds of Dentistry including Dental Public Health, Dental Hygiene, Oral Cancer, Oral Pathology, Endodontics, Orthodontics, Prosthodontics and Periodontics so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The scientific contributions towards our Paris Euro Dental conference are welcome in the form of oral, video, poster presentations/workshops and seminars/ network-

ing sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Euro Dental 2021 conference to attain greater heights and success.

Euro Dental 2021 initiated by Editors - Journal of Dental Research and Practice, this discovery will offer you an unforgettable experience in exploring new opportunities. Journal of Dental Research and Practice is one of the best open access journals that aims to publish the most complete and reliable source of information on discoveries and current developments in the mode of original articles, review articles, case reports, short communications, etc. in this field and provide online access without any restrictions or subscriptions to researchers worldwide.

Euro Dental 2021 welcomes all the professionals, professors, students, research scholars, dentists, business delegates to venture into unforgettable experience at Paris, France on March 24-25, 2021.
