

Announcement: 2nd International Conference on Dementia on June 21-22, 2021 at Singapore city, Singapore

We are glad to announce the 2nd European Summit on Dementia programmed to be held in Singapore on June 21-22, 2021. The theme for the Dementia 2021 is “Exploring Advances in the field of dementia research”.

Dementia 2021, a two-day conference, aims to gather ardent minds ranging from frontiers to novices to discover and create prospects to gain scientific advancements for a better tomorrow.

Our Dementia 2021 focuses to create a medium to connect eminent personalities from different backgrounds of Dementia Public Health, Neurology, Neuroscience and Neurorehabilitation, Semantics, Vascular dementia, Mild Cognitive Impairment Dementia with Lewy bodies, Causes of dementia, Parkinson’s Disease and Dementia Research. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The Singapore Dementia conference expects to compile 150+ participants mainly from Dementia Associations, Societies and Universities, Research Scientists, Principal

Neurologists, Neurology Partners or Owners, Neurology House Officers, Neuro Surgeons, Neurorehabilitation and Neuro Science. Dementia (Maxillofacial) and Neuro Surgeons, Neurology Business/Practice Managers, Neurology or Neuro Hygienists & Therapists and Students. The scientific contributions towards our Paris Dementia 2021 conference are welcome in the form of oral, video poster presentations/workshops and seminars/ networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Dementia 2021 conference to attain greater heights and success.

Dementia 2021 welcomes all the professionals, professors, students, research enthusiasts, business delegates to venture into complete Dementia experience at Singapore, on June 21-22, 2021.
