

Announcement: International conference on Dental Care, Berlin, Germany on April 19-20, 2021

We are happy to announce International Conference on Dental Care scheduled to be held in Berlin, Germany on April 19-20, 2021.

The theme for the Dental Care conference is “New Horizons in the field of Oral and Dental Health”. Dental Care 2021, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Dental Care 2021 focuses to create a medium to connect eminent personalities from different backgrounds of Dentistry including Dental Public Health, Dental Hygiene, Oral Cancer, Oral Pathology, Endodontics, Orthodontics, Prosthodontics and Periodontics so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The scientific contributions towards our Berlin Dental Care 2021 conference are welcome in the form of oral, video, poster presentations/workshops and seminars/networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Dental Care 2021 conference to attain greater heights and success.

Dental Care 2021 initiated by Editors - Journal of Dentistry, this discovery will offer you an unforgettable experience in exploring new opportunities. Journal of Dentistry is one of the best open access journals that aims to publish the most complete and reliable source of information on discoveries and current developments in the mode of original articles, review articles, case reports, short communications, etc. in this field and provide online access without any restrictions or subscriptions to researchers worldwide.

Dental Care 2021 welcomes all the professionals, professors, students, research scholars, dentists, business delegates to venture into unforgettable experience at Berlin, Germany on April 19-20, 2021.
