

Announcement: World Summit on Infectious Diseases and Therapeutics, Paris, France on March 22-23, 2021

We are happy to announce the World Summit on Infectious Diseases and Therapeutics scheduled to be held in Paris, France on March 22-23, 2021.

The theme for the Infectious Diseases 2021 is “Global Strategies & Innovative Techniques to diagnose, prevent and treat Infectious Diseases”. Infectious Diseases 2021, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Infectious Diseases 2021 conference focuses to create a medium to connect eminent personalities from different backgrounds of Infectious Diseases including Infectious Diseases, Rare Diseases, Viral Diseases, Bacterial diseases, Rare Diseases, Tropical Diseases, Paediatric Infectious Diseases, COVID-19 and Impact on Healthcare, Antibiotics and so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The scientific contributions towards our Paris Infectious Diseases conference are welcome in the form of oral, vid-

eo, poster presentations/workshops and seminars/ networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Infectious Diseases 2021 conference to attain greater heights and success.
