Editorial

Expert Level

The award to the experts who have made outstanding contributions to advancing in Plastic Surgery. It is the most prestigious award of the whole conference and is tagged as a scientific service Achievement award. The eligibility criteria for achieving this award is that one should have a minimum of 20+ years of experience in the relative field in the public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can assign meriting the honor through official Website of [Plastic Surgery](#).

Professional Level

The Award for professional or academic research activity acquired in Plastic Surgery research field in the public or private sector for experts having research knowledge at 10+ years in the field of Plastic Surgery with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the nation in which the researcher is selected), even if a doctorate was never started or imagined. You can assign meriting the honor through official Website of [Plastic Surgery](#).

Scholar Level

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years of

research experience in the field of Plastic Surgery. Our conference would like to provide the best platform to expand your network by sharing your research knowledge at the stage. The presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes of panel discussions. You can assign meriting the honor through official Website of [Plastic Surgery](#).

Women Scientist

Our Conference provides a unique platform for women scientists for presenting the latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's and Doctor's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations.
