

17th Annual Congress on Wellness and Healthcare Informatics

Conference Series LLC Ltd proudly announces the successful completion of 17th Annual Congress on Wellness and Healthcare Informatics (Euro Health 2020) held during May 18-19, 2020 in Paris, France with the support and contribution from the esteemed Organizing Committee Members, Speakers, Delegates, Media Partners and other supporters.

Firstly, we are thankful to you for trusting us and a part of the Euro Health 2020, a global platform to discuss various important aspects of Healthcare and Information Technology. There are infinite reasons to extend our gratitude to all our supporters for making the Euro Health 2020 a great conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve Euro Health 2019 a new height in the field of healthcare and technology.

The conference was manifest with the presence of global experts both from academia and industries, young and brilliant researchers, business & academic delegates and student communities from more than 25 countries, who have driven this conference into the path of success.

Euro Health 2020 was based on the theme "Leading Innovations for Better Healthcare". The event rooted a firm relation of upcoming strategies in the field of Healthcare and technology with the medical community and promoted many collaborated research activities. The conference witnessed an amalgamation of peerless speakers, Keynote/plenary speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of healthcare & technology through their fabulous presentations at the platform of Euro Health 2020

Conference Series LLC Ltd. offers its heartfelt gratitude and appreciation to all the Organizing Committee Members, Keynote Speakers, Chairs and Co-chairs, Speakers, Students, Media Partners and Editorial Board Members of Health Care: Current Reviews, Journal of Health & Medical Informatics, Journal of Healthcare Communications who supported the conference in every aspect for the awe-inspiring exhibition at the venue.

A Special thanks to the Organizing Committee Members of Euro Health 2020, Keynote Speakers, Speakers, Chairs and Co-chairs without whom it might have a very difficult scenario for us to deliver the amazing conference.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as Keynote speakers:

- Tammy Guns, CanCorp Consulting, USA
- Rebecca McKenzie & Rudi Dallos, The University of Plymouth, UK
- Pierantonio Russo, HVH Precision Analytics, USA
- Mohd. Abul Kalam Azad, Milk Vita, Bangladesh

Special Thanks to HVH Precision Analytics for exhibiting and sponsorship.

So as continuation of Euro Health 2020, we would like to heartily welcome you to our upcoming 18th Annual Congress on Wellness & Healthcare Informatics, March 24-25, 2021 for our conference

We look forward to seeing your benign presence with active contribution and support to make this upcoming Euro Health 2021 Conference a huge success.
