**FORTHCOMING CONFERENCES ON NOVEL DRUG DELIVERY 2020
WILL BE AT CHICAGO, USA DURING JUNE 22-23, 2020****Affiong Iyire**

School of Life Health Sciences, Aston University, Birmingham, UK, E-mail: iyirea@aston.ac.uk

Lexis conferences take great pleasure in inviting the scientific community across the globe to the Novel Drug Delivery 2020 will be at Chicago, USA during June 22-23, 2020. Chicago is the largest city of USA. Chicago is considered as one of the best venue for conducting conferences due its favourite tourist destinations. This meeting will explore advances in the Novel Drug Development. The upcoming Novel Drug Delivery 2020 focus on Development of Novel Drug Delivery Systems-Advances and Innovations. This conference will also present the advanced research, advanced techniques for Novel Drug Development.

The participants can exchange and share their research results covering the scientific aspect of Advanced Drug Delivery systems, Drug Design and Drug Formulation, New Techniques in Pharmaceuticals, FDA Approval Process, Drug development Technologies Study, Pharmaceutical Research and Development, Different Drug Formulations in the Novel Drug Delivery 2020.

Conference will encourage Young Researcher's Forum, scientists and the researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea. The 'Best Poster Award' is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase.

The Sponsor in the Novel Drug Delivery 2020, can reach and get exposure to new clients, customer, business, brand awareness and media exposure. The sponsorship has different levels Premium Sponsorship Packages: Exhibition, Additional Sponsorship Packages and Advertisements.

Abstract submission Topics:

- Novel Drug Delivery Systems- Advances and Innovations
- Drug Delivery Technologies
- Pre-formulation formulation Technologies
- Routes of Drug Administration
- Regulatory Affairs and Intellectual Property Rights
- Drug Delivery Devices And Equipment

- Peptides, Protein and Nucleic Acid based Drug Delivery Systems
- Drug Targeting and Drug Designing
- Pharmaceutical Nanotechnology
- Prodrug Approaches to Drug Delivery
- Process design, optimization of drug delivery system
- Pharmacovigilance and Drug Safety
- Industrial and Physical Pharmacy
- Designing of Nanoparticles as Drug Delivery Vectors
- Nano medicine and Biomedical Applications
- Medicinal Chemistry
- Advances in Bio therapeutics
- Vaccine Drug Delivery System
- Anti -Cancer Drug Discovery
- Drug Delivery Facing Challenges
- Global Drug Delivery Market

Chicago, one of the most beautiful urban places in the United States of America and the third most populous city. It is an international hub for finance, culture, commerce, industry, education, technology, telecommunications, and transportation. It is home to several Fortune 500 companies, including Allstate, Boeing, Exelon, KraftHeinz, McDonald's, Mondelez International, Sears, United Airlines Holdings, and Walgreens. Chicago's climate is typically continental with cold winters, warm summers, and frequent short fluctuations in temperature, humidity, cloudiness, and wind direction. Many consider the more moderate temperatures of spring and fall to be the most pleasant. Landmarks in the city include Millennium Park, Navy Pier, the Magnificent Mile, the Art Institute of Chicago, Museum Campus, the Willis (Sears)

Tower, Grant Park, the Museum of Science and Industry, and Lincoln Park Zoo. There are tons of things to do and see in Chicago Right from the time you enter Chicago, the airport gives you a warm welcome, and the airport itself is very beautiful. To appreciate the beauty of this city you really have to take a few steps on the Michigan Avenue, you will be awestruck to see the city planned so well and the synergy in the buildings. . Chicagoans have over 580 parks and 8,300 acres of green spaces at their disposal. With beaches, ice rinks and bike paths, there's no shortage of outdoor recreation for Chicagoans. Chicago's culture includes the visual arts, literature, film, theatre, comedy (especially improvisational comedy), food, and music, particularly jazz, blues, soul, hip-hop, gospel, and electronic dance music including house music.

Best Regards
