The Journal of Clinical nursing and practice is glad to acknowledge that it has published its 1st volume in the year 2019. As it a new journal it gained much attention for the qualitative articles to get published. JCNP has 2 issue releases per year without any delay this is only possible because of the editorial board members. Editorial board members of this journal are very active and make the issue release on time. Many esteemed professionals and professors work as editorial team members for this journal who are throughout the world.

Journal of Clinical Nursing and Practice (JCNP) provide a global platform for sharing and exchange of knowledge for its potential utility in safe, efficient & effective patient treatment and general health care by professional health care providers. In the year of 2019 Over 20 articles were published which include research, review articles, etc. Journal of Clinical Nursing and practice has provided fast-track peer-review process is possible only because of the authors, editorial team members and reviewers in a qualitative method with highly esteemed professionals and well renowned professors. After receiving an article it goes through preliminary quality check and result will be acknowledged within 24 to 48 hours of initial submission.

Editorial and Review tracking system was introduced for easy tracking of the manuscript by author, editor as well as publisher. Authors can easily track their manuscript status through the credentials given to author at the time of submission. In this instance I would like express the token of gratitude to the reviewers who are providing the review comments on time and also the editorial assistant who is working on the journal for final editing and proofing of the manuscripts before publication and also the authors who have published along with us.

In 2019, JCNP has opted to use social networking platform to interact with authors, reviewers and editors along with the public and renowned professionals. Journal is having more than 500 followers in twitter where the recent issues regarding Journal of Clinical Nursing and practice are posted on daily basis.
