Iven Klineberg

University of Sydney, Australia

Submission guidelines and registration prices information for Speakers and Delegates are posted on the website at <https://www.lexisconferences.com/dentaleducation>

Online entries will be accepted from OCT 30-31, 2020

Dental Education 2020 will be held in Chicago, USA from OCT 30-31, 2020

Dental Education 2020 aims to discuss the wonders happening in the ever growing field of Dentistry. This conference is an acting stage for business professionals, Dentists Directors, academicians, technicians and mainly students to showcase their innovations and new ideas. Prosthodontics 2020 will have more than 100 International renowned speakers to share their latest research results to participants; the planned program will cover a variety of subjects in the field of Dentistry. The conference will also provide an opportunity for interaction and interchange ideas through posters, open discussion and program project. We strongly believe that the exchange of knowledge and experience will result in a strong global collaboration between you and us.

*Are you willing to showcase research results and recent objectives achieved? During Dental Education 2020, all poster outlining your main results. Why?

Knowledge exchange session (October 30 forenoon) and meet the authors of the speech you find most interesting during the final Networking Session!

participants will be able to provide at the registration desk a

Because you will have the chance to present them at the
