

## Past conference report

**Jihad Mohammad Malabi**

*Al Najah-National University, Palestine*

The 7th International conference on medical and nursing education, was held in Vienna, Austria during July 17, 2020.

Nursing Education Conference 2020 will focus on educational research directed toward its impact on clinical outcomes, through oral and poster presentations, educational workshop sessions, and influential plenary presentations. Attendees will be provided with the tools to enhance nursing education programs to make education more effective in nursing practice.

Conference Series LLC Ltd extend its warm gratitude towards all the Participants, Eminent Speakers, Young Researchers, Delegates and Students. We would like to specially thank the following people who laid the foundation for the event's success.

Name of some of the speakers and their abstracts:

- Dr Suad Sabanovic, Value of Innovation in Health care – The future is happening
- Ghassan M. Fawzi, Self Prescription of Medications
- Ergys Cuka, Normal-Pressure Hydrocephalus: Past, present and future management and the relevance of new insight of Neuropsychology assessment for measure of the cognitive- behavioral sequelae
