Lexis Conferences 2nd INTERNATIONAL CONFERENCE ON PHARMACEUTICAL ANALYSIS & ANALYTICAL CHEMISTRY to explore New paradigms in Pharmaceutical Analytical Techniques

Lexis with great Pride Successfully Completed 2nd International Conference on Pharmaceutical Analysis & Analytical Chemistry which is held on August 02-03, 2019 | Chicago USA. Venue Details: Country Inn & Suites by Radisson, Elk Grove Village/Itasca. More than 60 distinguished scientists, researcher, academician participated for sharing research advance, knowledge and expertise related to the Pharmaceutical Analysis worldwide. The 2 days conference, held on August 02nd to August 03rd provides the Platform to leading academic scientists, researchers and scholars to share their experiences and research results about all aspects of Pharmaceutical Analysis and Analytical Chemistry.

2nd International Conference on Pharmaceutical Analysis & Analytical Chemistry, 2019 was inaugurated and followed key note session by Gyorgy Vas, Intertek Pharmaceutical Services, USA with the title "Challenges for testing finished pharmaceutical products; one possible solution: Solventless sample preparation combined with HRAM mass spectrometry. The session was Chaired by Challenges for testing finished pharmaceutical products; one possible solution: Solventless sample preparation combined with HRAM mass spectrometry.

The conference's first day, featured panels on Clinical Affairs & Regulatory Strategies | Quality Assurance and Quality Control | Regulatory Challenges for Medical Devices

The second day began with an insightful poster session on the area of Isolation of lupeol from *Grewia lasiocarpa* E. Mey. ex Harv. Stem bark: Antibacterial, antioxidant and cytotoxicity activities. The Second day of the conference concluded with the best poster award and networking session.

Supported through the organizing committee network of renowned scientific and professional expert such as Nermeen Abuelsoud, The British University in Egypt, James Hathcock, President of Pall Biotech, USA, Amar Joshi is resourceful and an experienced analytical personnel working towards his desire of improving healthcare. Gyorgy Vas has over 20 years of experience in scientific research, product development, and laboratory management. it provided a platform for collaboration among colleagues, vendors, and academia to reveal new innovations, solutions, ideas, and emerging technologies in Pharmaceutical Analysis and Analytical Chemistry.

Forthcoming Conferences on 3rd International Conference on Pharmaceutical Analysis & Analytical Chemistry April 03-04, 2020 at Montreal, Canada

Lexis conferences take great pleasure in inviting the scientific community across the globe to the 3rd International Conference on Pharmaceutical Analysis & Analytical Chemistry during April 03-04, 2020 at Montreal, Canada. Montreal is the largest city of Canada. Montreal is considered as one of the best venue for conducting conferences due its favourite tourist destinations. This meeting will explore advances in the Pharmaceutical Analysis.

The upcoming Pharmaceutical Analysis 2020 focus on Industrial Development of Pharmaceutical Analysis. This conference will also present the advanced research, advanced techniques for Analytical development.

The participants can exchange and share their research results covering the scientific aspect of Analytical Techniques, Method Development And Validation, New Techniques in Pharmaceuticals, FDA Approval Process, Analytical Chemistry Study, Analytical Method Validation, Different Drug Formulations, Analytical Studies in the Pharmaceutical

Analysis 2020.

Conference will encourage Young Researcher's Forum, scientists and the researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea. The 'Best Poster Award' is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase.

The Sponsor in the Pharmaceutical Analysis 2020, can reach and get exposure to new clients, customer, business, brand awareness and media exposure. The sponsorship has different levels Premium Sponsorship Packages: Exhibition, Additional Sponsorship Packages and Advertisements.

The 3rd International Conference on Pharmaceutical Analysis & Analytical Chemistry will consist of organizing committee network of renowned scientific and professional expert such as **Dr. Javad Sharifi-Rad** - Phytochemistry Research Center, Shahid Beheshti University of Medical Sciences, Tehran, Iran. **Dr. Jean Paul Kamdem** - Regional University of Cariri, Department of Biology, Campus Pimenta, Crato-CE, Brazil. Prof. **Dr. Hayati Filik** - Istanbul University-Cerrahpaşa, Analytical Chemistry. and **Nur Kartinee Kassim**, Phd - Chemistry Department, Faculty Of Science, Universiti Putra Malaysia.
