

Young Researchers Forum - Young Scientist Awards {Immunochemistry 2020}

Ahmed Hegazi

Professor of Microbiology and Immunology, National Research Center, Dokki, Giza, Egypt

Prestigious Award for Young Research's at [Immunochemistry 2020] - Discovering New Exploration in {Immunology} field.

{Immunology} Conference Committee is glad to announce "International Conference on Immunity and Immunochemistry" during July 30-31, 2020 in Rome, Italy by focus on the theme: "Insights in the Regulation of Protective and Pathological Immune Responses".

[Immunochemistry 2020] developments are maintaining their momentum. Immunology Conference program delves into strategic discussions.

[Immunochemistry 2020] Young Scientist Awards:

{Immunology} Conference Committee is meant to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of {Immunology}.

Young Research's Awards at [Immunochemistry 2020] for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the [Immunochemistry 2020] young research forum.

Benefits:

- Young Scientist Award recombination certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience.
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Less than 35yrs.
- All submissions must be in English.

[Immunochemistry 2020] provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join [Immunochemistry 2020] for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our [Immunochemistry 2020] more successful.
