# Young Scientist Awards Euro Pediatrics 2021

Louise Kerb

Fondazione Policlinico Gemelli IRCCS, Italy

Prestigious Award for Young Research's at **Euro Pediatrics 2020** - Discovering New Exploration in **Pediatrics** field.

[Pediatrics Conference Committee](#) is glad to announce "**European Pediatrics Congress**" during **July 30-31, 2020** in **Rome, Italy** by focus on the theme: "**Innovations and Excellence in Pediatrics & Research.**"

[Pediatrics Conference Committee](#) is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Pediatrics.

Young Research's Awards at **Euro Pediatrics 2020** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the **Euro Pediatrics 2020** young research forum. This conference will help the attendees in building a robust professional network by facilitating a fresh perspective of ideas, knowledge in recent advancements, one-on-one engagements and streamlining of techniques. Pediatrics 2020 is organized under the assumption that one-on-one interactions and discussions open door to innovations and inventions. We are proud facilitators of such a chance.

### Criteria for Selection:

- Showcase your research through oral presentations.
- Learn about career development and therefore the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide a chance for collegial interaction with other young investigators and established senior investigators across the world. Interact and share ideas with both peers and mentors.
- Opportunity for young researchers to find out about the research areas of their peers to extend their capacity as multidisciplinary researchers.
- Actively distribute information and promote the advantages of education and career matters.

### Conference Highlights:

- In vivo bioreactors
- 3D visualization and augmented reality for surgery
- Therapeutic proteins
- CRISPR
- 3D Printed Organs
- Solvent tolerance in bacteria
- Plant as bioreactor
- Nerve Regeneration
- Biosimilars
- Personalised medicines
- Hydrogels
- Targeted Cancer Therapies
- Metabolic engineering
- Optical sensors
- Bacterial compartment technology
- Bacteriophage proteomes
- Nano particle mediated drug delivery
- HPV Vaccine
- Face Transplants
- Brain Signals to Audible Speech
- Biosurfactants, Bioethanol and Electricity generation by microbial fuel cell

### Euro Pediatrics 2020 Young Scientist Awards:

[Pediatrics](#) Conference Committee is meant to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a robust professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of {Biotechnology}. Young Research's Awards at Euro Pediatrics 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Biotechnology 2020 young research forum.

### Awards & Rewards:

- Showcase your research through oral presentations.
- Learn about career development and therefore the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research.
- Develop a foundation for collaboration among young
