Biography

International Practiced School Counsellor with 14 years of experience in the education industry. My educational qualification includes but is not limited to master's in counselling and psychotherapy, Post Graduate Diploma in Child and Youth Counselling & bachelor's in psychology. I have gained experience as a school counsellor in Saudi Arabia, Australia and UAE. My articles have been published in many international magazines and newspapers. I love to blog in my free time – Meet Your Counselor. My blog gives clarity to school counsellors across UAE on how to run a successful counselling program which is in line with the Ministry of Education Behavior Program.
