Vasant Chandane

Hotel Union House Amravati, India

We are one of them who are using Cannabis for more the century since early as 2000 to 1400 B.C. Our Vedas shows the proof of its first Medical use on this earth for the purposes of detoxification of body. Even in old time it was found that before introducing alcohol, Bhang & Cannabis was in regular practice of Indian culture for medical as well as for recreation use.

The most popular use is comes in Holi, freshly grind leaf of cannabis use to make N' number of Dishes like Kesar Bhang, Bhang Kulfi, Bhang Rabdi, Bhang kachori chat etc. Holi is consider to be First day of summer which consider as season start of Mango, which is also called as King of fruit, leaf of this fruit is use to make handmade pipe to smoke Cannabis in India. This practice exist in Indian culture since man was in Ancient age, this prctice become popular because it is consider to be best season for drying in India. Mahashivratri, it is said that Lord shiva did the first use of medical Marijuana to detoxify his body on same Night, & hence people celebrate this festival by smoking Ganja and Drinking Bhang, for religious purposes and health purpose
