November 15-16, 2018 Osaka, Japan

## Canada and cannabis legalization

**Sandra Crozier-McKee**

Western Master Business Mechanics Inc, USA

The MMAR Law of 2001 made medical marijuana legal in Canada if prescribed by a doctor. In June of 2018, Bill C-45 passed the House of Commons and the Senate making recreational cannabis legal for adult consumption across the country. The law goes into effect just one month prior to the
