Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Founded by Prof. Ana Maria Sebastiao (Constanta, Romania) in 2002 Neuroscience and Neuropharmacology is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 5 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, Global Impact Factor (GIF), CiteFactor, Electronic Journals Library, RefSeek, International committee of medical journals editors (ICMJE), Hamdard University, EBSCO A-Z, Virtual Library of Biology (vifabio), Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies.

NCOA Index Copernicus Value: 83.35

During 2019 around 26 articles were subjected for publication after they are accepted in the peer review process. In the 6 issues of Volume 5 published during the year 2019, a total of 20 articles were published (at an average of 6 articles per issue) of which, articles were published from authors all around the world. A total of 110 research scientists from all over the world reviewed the 20 articles published in volume 5. Average publication lag time of an article was further reduced to 2-3 weeks.

Neuroscience and Neuropharmacology also announces its new association with IOMC group for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its original website <https://www.iomcworld.org/neurochemistry-neuropharmacology.html> parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

I take this opportunity to acknowledge the contribution of (Dr. Ana Maria Sebastiao) during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of NCOA in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of NCOA, the office bearers for their support in bringing out yet another volume of JCNM and look forward to their unrelenting support to bring out the Volume 5 of NCOA in scheduled time.
