**Press Release 5<sup>th</sup> International Conference on Central Nervous System Disorders & Therapeutics in Las Vegas, USA**

**Conferences Series LLC International Summit on 5<sup>th</sup> International Conference on Central Nervous System Disorders & Therapeutics to Promote Research Worldwide on Neurological Disorder**

Conferences Series LLC has successfully concluded its on 5<sup>th</sup> International Conference on Central Nervous System Disorders & Therapeutics from October 21-22, 2019 in Las Vegas, USA. More than 35 distinguished scientists, researchers; academicians participated in sharing research advance, knowledge and expertise related to the Neuroscience worldwide. The 2 days conference, held on October 21 through October 22 provides the leading academic scientists, researchers and scholars to share their experiences and research results about all aspects of the [Central Nervous System Disorders & Therapeutics Conference](#).

**CNS Congress USA** was inaugurated followed by the keynote session by Walter Schubert, Toposnomos Ltd, Germany. The sessions was Chaired by **Dian Baker**, California State University USA

The conference's first day, featured panels on Neurological Disorder, [CNS Clinical Neurology & Neuropsychiatry](#), [Cerebral Disorders](#), [Neuronal Disorders](#), [Cognitive Neurology](#), [Neuropharmaceutics](#).

The second day began with an insightful session on the Neuroinfections & Neuroimmunological disorders, Neurochemical Transmission, Neurogenetics & Neurometabolic disorders, Neuro-oncology & CNS, Clinical Trials & Case Reports in CNS, CNS Biomarkers, Neuroplasticity & Neurorehabilitation . The conference concluded with the poster session.

Supported through the organizing committee network of renowned scientific and professional expert such as **Dmitri Rusakov**, University College London, UK; **Hiroyuki Nakase**, Nara Medical University, Japan. Ajay Bajaj, Wockhardt Hospitals LTd., India. It provided a platform for collaboration among colleagues, vendors, and academia to reveal new innovations, solutions, ideas and emerging technologies in [CNS 2019](#).

**Forthcoming Conferences on Central Nervous System Disorders and Therapeutics during August 31-September 01, 2020 London, UK**

Conferences Series LLC takes great pleasure in inviting the scientific community across the globe to the **Central Nervous System Disorders and Therapeutics** during August 31- September 01, 2020 London, UK. London is the political, economic and cultural capital of England, and its world category tour attractions are known across the world. It is a leading Global City. London is considered as a world cultural capital. It is the world's most-visited city as measured by international arrivals. The Greater London space is exploding with attractions for guests of all ages. Historic gardens, historic buildings, museums, London Bridge, Palace and The London eye.

The upcoming [Neuroscience](#) focuses on physical rehabilitation and the treatment, diagnosis, prevention and study of Neuroscience. This conference will also present advanced research, advanced techniques for treatment of health conditions and lifestyle-related to Neuroscience too.

The participants can exchange and share their research results covering the scientific aspect of Clinical Neuroscience, Neurological Disorder, CNS Clinical Neurology & Neuropsychiatry, Cerebral Disorders, Neuronal Disorders, Cognitive Neurology, Neuropharmaceutics. Neurochemical Transmission, Neurogenetics & Neurometabolic disorders, Neuro-oncology & CNS, Clinical Trials & Case Reports in CNS,

CNS Biomarkers, Neuroplasticity & Neurorehabilitation in [World Neuroscience 2020](#).

The conference will encourage Young Researcher's Forum, scientists and the researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea. The '**Best Poster Award**' is meant to encourage students in taking an active part in the International Science platform to sharpen their skills and knowledgebase.

The Sponsor in the **CNS 2020** can reach and get exposure to new clients, customers, business, brand awareness, and media exposure. The sponsorship has different levels of [Premium Sponsorship Packages](#): Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Additional Sponsorship Packages, and Advertisements. The **CNS Conference** will consist of organizing committee network of a renowned scientific and professional expertise.
