The "30th International Congress on Pediatric Nursing" (Pediatric Nursing 2019) hosted by Conference Series llc LTD during AUGUST 19-20, 2019 ZURICH, SWITZERLAND with a theme "Current Emerging Trends for Improving Pediatric Nursing & Healthcare", was a great success where eminent Keynote Speakers from various reputed institutions with their resplendent presence addressed the gathering.

It was organized by Conference Series llc LTD and generous response was received from the Editorial Board Members of OMICS Group Journals as well as from eminent scientists, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2019 from Conference Series llc LTD.

The three day program witnessed thought provoking keynote and plenary presentations from experts in the field of Nursing and Healthcare, highlighting the theme, "Current Emerging Trends for Improving Pediatric Nursing & Healthcare".

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as **Keynote Speakers**:

Nada Siraj Massoudi, Director of Nursing Services, International Medical Center, Saudi Arabia

Nasra Idilbi, The Max Stern Yezreel Valley College & Galilee Medical Center, Israel

All the sessions were followed with great interest by a large audience. Students from various parts of the world took active participation in poster presentations. Students who presented well were awarded with Best Poster Presentations for their outstanding contribution in the field of Nursing and Healthcare.

Our Special thanks to the Honorable Moderator, **Nada Siraj Massoudi**, Director of Nursing Services, International Medical Center, Saudi Arabia for the remarkable contribution towards smooth functioning at Pediatric Nursing 2019 Conference.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support, and assistance towards the success of Pediatric Nursing 2019. With the unique feedback from the conference, we would like to announce the commencement of the "[31st International Congress on Pediatric Nursing](#)" is going to be held during August 17-18, 2020 Paris, France

We anticipate your presence at [Pediatric Nursing 2020!](#)
