Past Conference Report on 2nd World Congress on Neurology

Alireza Heidari

Director of the BioSpectroscopy Core Research Laboratory at Faculty of Chemistry, California South University (CSU), Irvine, California, USA & President of the American International Standards Institute (AISI) Irvine, California, USA, E-mail: scholar.researcher.scientist@gmail.com

32nd European Neurology Congress was organized during July 22-24, 2019 at London, UK. With the support and contribution of the Organizing Committee Members, we successfully hosted the event at the conference venue.

Firstly we must thank you for trusting us and participating at Neurology Congress 2019, a global platform to discuss various important aspects of Neurology and Neuroscience.

There are infinite reasons to extend our gratitude to you for making the Neurology Congress 2019 outstanding conference. We couldn’t have done it without your continuous support and believe towards our organization, which mutually made to achieve Neurology Congress 2019 new heights in the field of Neurology and Neuroscience.

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 50 countries, who have driven this event into the path of success.

The conference was organized around the theme “Explore the Novel Innovations in the field of Neurology and Neuroscience”. The event implanted a firm relation of upcoming strategies in the field of Neurology with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations. Alper Ibrahim Dai, Gaziantep University, Turkey and Daniela Hristova, Simbec-Orion, UK was the moderators of Neurology Congress 2019. We are much thankful to both of them for their great support and help.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures of which the following Speakers were highlighted as Keynote speakers: Horacio Kaufmann, New York University School of Medicine, USA; Amin Hajitou, Imperial College London, UK; Manoj Malhotra, Eisai Inc., USA; Inderjit Singh, Medical University of South Carolina, USA; Annie Weir, Impact Research NZ, New Zealand; Ann Ali Abdelkader Hanafy, Cairo University, Egypt. The conference witnessed an amalgamation of peerless speakers, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Neurology through their fabulous presentations at the podium of Neurology Congress 2019.

Conference Series LLC Ltd offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students, Media Partners and Editorial Board Members of Journal of Neurology & Neurophysiology, Journal of Neurological Disorders and Journal of Spine who supported the conference in every aspect for the awe-inspiring exhibition at the venue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We thank Theravance Biopharma, Inc. for exhibiting at our conference. We sincerely thank the Organizing Committee Members: Horacio Kaufmann, New York University School of Medicine, USA; Amin Hajitou, Imperial College London, UK; Ann Ali Abdelkader Hanafy, Cairo University, Egypt.

So as continuation of Neuro Science 2020, we would like to heartily invite you to our upcoming Neuro Science 2020 which is going to be held on October 15-16, 2020 at Capetown, South Africa scheduled Zurich, Switzerland during June 24-25, 2020.

We look forward to seeing your benign presence with active contribution and support to make this event successful once more.
