

Perspectives for improvement in Psychiatry, Psychology and Mental Health

Syed Muhammad Ali Syed Ali

Consultant, Surgery, IRIN Hamad Medical Corporation, Qatar, E-mail: SAli35@hamad.qa

Conference Series conducts innovative conference publications in various psychiatry and psychology areas that are recognized by academia and industry worldwide. World Congress on Psychiatry and Psychology will focus in the perspectives to develop mental health, psychiatry and psychology and is scheduled during May 25-26, 2020 at Kyoto, Japan.

The **World Congress on Psychiatry and Psychology** will bring together expert clinicians, researchers and leaders of stakeholder organizations in the field of mental health, psychiatry and psychology offering an outstanding set of Plenary presentations, Symposia, Workshops and sessions designed by early career psychiatrists. A positive, swift response and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the Psychologists, Psychiatrists, Public Health professionals, Mental Health Professionals, NGO Workers, scientists, academic scientists, industry researchers, Psychiatry researchers and those who involved in the previous psychiatry events.

The previous conferences initiated with the honorable presence of the Keynote forum. The list includes:

- Title: Healing Power of Awareness

Willem Fontein, *GGZ Group Amsterdam, Netherlands*

- Title: Resisting Erasure - The Voices of Patients in the History of Psychiatry

Clement Martini, *University of Calgary, Canada*

- Title: Cognitive Disorders and Mental Health: Neural Correlates in Contemplative Therapy

Denis Larrivee, *Loyola University Chicago, USA*

- Title: The Archetype of the "Strong Black Woman" and Mental Illness: How Do We Address the Gaps?

Natasha Williams, *N. S. Williams Psychology Professional Corporation, Canada*
