Past Conference Report

We would like to thank all of our wonderful keynotes, speakers, conference attendees, students, associations, media partners, exhibitors and guests for making Public Health 2018 a successful event.

Conference Series llc LTD hosted the 4th World Congress on Public Health and Nutrition during February 25-26, 2019 at Golden Tulip Berlin - Hotel Hamburg Berlin, Germany with the theme "Discovering new ways to ameliorate Global Health". Benevolent response and active participation was received from the Editorial Board Members of supporting International Journals as well as from the leading academic scientists, researchers, research scholars, students and leaders from the fields of Public Health and Nutrition, who made this event successful.

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 18 countries, who have driven this event into the path of success. The conference highlighted through various sessions on current retroviral research.

Public Health 2019 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the fields of Public Health and Nutrition.

The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

Public Health and Epidemiology

Community Nutrition

Occupational Health

Nursing

Mental Health

Healthcare Management

Obesity and Health Risks

Adolescent Health

Nutritional Health

Cardiovascular Diseases

Health and Community Nutrition

Non-Communicable Diseases

The conference proceedings were carried out through various Scientific-sessions and plenary lectures. The conference was embarked with an opening ceremony followed by a series of lectures delivered by both Honorable Guests and members of the Keynote forum. The adepts who promulgated the theme with their exquisite talk were;
