

## Young Researcher Forum for 5th International Conference on Central Nervous System Disorders & Therapeutics

Sam Vaknin

*Professor of Psychology, Southern Federal University, Rostov-on-Don, Russia, E-mail: samvaknin@gmail.com*

**Conference Series** is very proud to announce the **Young Scientist Awards at Regenerative Medicine 2020** Conference to explore and honor the research ideas related to **Central Nervous System Disorders and Therapeutics** in the young minds of Researchers, PhD Students, Post Graduate Students, Investigators, Post-Doctoral Fellows, Trainees and Junior Faculty.

**"5th International Conference on Central Nervous System Disorders & Therapeutics"** is scheduled during **October 08-09, 2020** in **London, UK** to focus on the theme: "Novel Insights and Innovations in CNS Therapeutics"

YRF Nominations: Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation.

\*Note- Only 25 presentations are acceptable.

**CNS 2020** provides young researchers a best platform to expand your connections, where you can meet your co-scientists, authorities and CROs around the globe. It's time to make use of this wonderful opportunity and join CNS 2020 to promote your research work and let the world get to know you.

### Benefits:

- Certificate of Recognition and Memento to the Winners
- Expose your research work through Oral Presentations
- Expand your research further through novel ideas from Co-participants
- Collaborations among the participants
- Research and Career development through scientific networking

### Eligibility:

- Young Researchers, Young Investigators, Post-Graduate students, Post-doctoral fellows,

Trainees, junior faculty with a minimum of 5 years of research experience

- Presentation should refer to the theme of the conference
- Each candidate can submit one paper only (as first author or co-author)
- Age limit for participation- Below 35 Years
- Paper submissions must be in English

We would be glad to have your graceful presence and amazing contribution to wish our CNS 2020 Conference a great success that mutually benefits your innovative personality and research career
